

## SMT SPARES KIT

teknek

This kit contains key components required to help you keep your clean machine fully operational.

## Benefits to you:

Immediate availability of spares.

Maximum machine up time or availability.

Less risk of yield reduction.

Ease of fault or breakdown recovery – more self sufficiency.

Reduced requirement for emergency engineer visit.

Price reduction on buying individual parts.

Easy to store, kit comes in small package.

Easy to source, no minimum order value or endless part numbers.
